

BLOW SOFÁ

By Stefano Giovannoni

La colección BLOW diseñada por Stefano Giovannoni surge con el objetivo de desarrollar una nueva familia de productos en sintonía con la familia PILLOW pero con una tipología y peculiaridad distinta. Si la colección PILLOW se caracteriza por su forma de cojín en forma de “L” en su esencia conceptual más simplificada, BLOW ofrece un concepto distinto desplegándose hacia adelante para crear brazos. BLOW está inspirada en un cojín hinchable, ofreciendo un sillón y sofá tradicional con apoya brazos, pero con una nueva particularidad. Como cada uno de los productos VONDOM, sus materiales permiten su uso tanto en exterior como interior, capaces de soportar condiciones climáticas extremas.

Características

Descripción

Fabricado con resina de polietileno mediante moldeo rotacional con doble pared. 100% Reciclable. Apto para exterior e interior. Disponible en varios acabados.

Peso

45 Kg
