

TECHNICAL DATA

SYSTEM MODULO

Un sistema estremamente versatile che attraverso le diverse declinazioni delle ante, accostamenti di finiture laccate o legno, permette infinite combinazioni. Un prodotto che cambia la sua personalità grazie ai diversi basamenti di design.

Basamento: metallo finitura Brunito.

Struttura: Materico, Laccato opaco o lucido.

Frontali personalizzabili: anta Liscia e Virgo in Materico, Laccato opaco o lucido, Impiallacciato, Cemento; anta Rombo in Laccato opaco; anta Glass con vetro o pannello in Materico, Laccato opaco, Impiallacciato, Cemento.

Maniglie: Piolo, Tratto, Linea, Lateral, Push pull.

Top spess. 12mm: Materico, Laccato opaco o lucido, Impiallacciato, Marmo.

Base: Brunito finish metal.

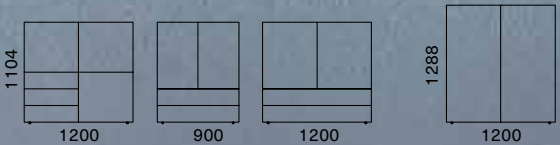

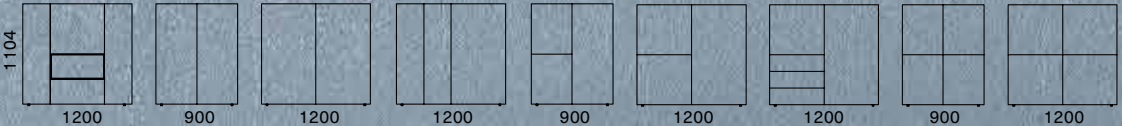

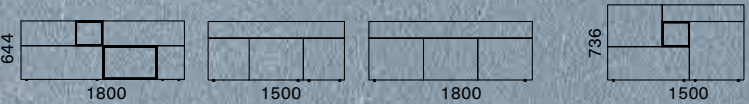

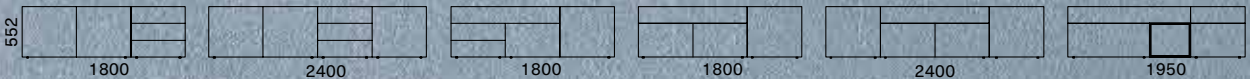

Structure: Texture, matt or glossy Lacquered.

Customisable fronts: Liscia and Virgo Texture, matt or glossy Lacquered, Veneered, Cement door; matt Lacquered Rombo door; Glass door with Glass or Texture panel, matt Lacquered, Veneered, Cement.

Handles: Piolo, Tratto, Linea, Lateral, Push pull.

Top thickness 12mm: Texture, matt or glossy Lacquered, Veneered, Marble.

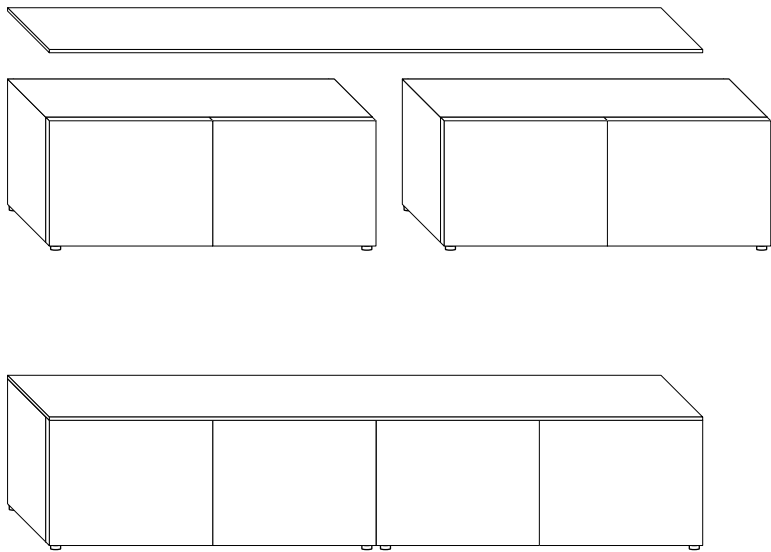

An extremely versatile system that allows infinite combinations through the different declinations of the doors, combinations of lacquered or wood finishes. A product that changes its personality thanks to the different design bases.

SIDEBOARDS

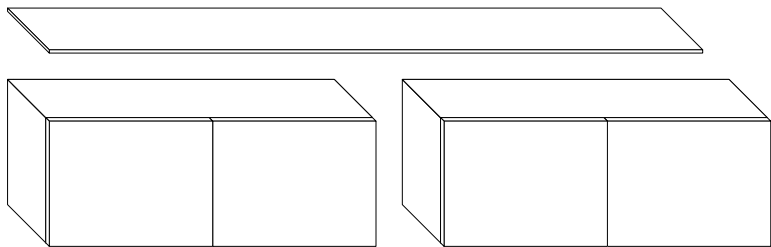

DELIVERED AS STANDARD WITH FEET H. 20

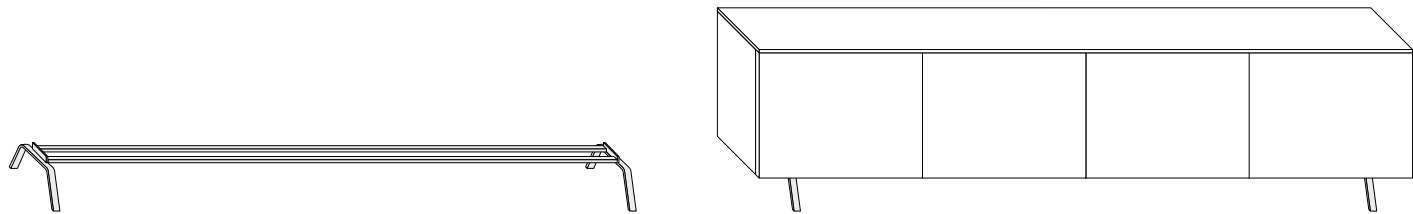

CONFIGURATIONS WITH BASE

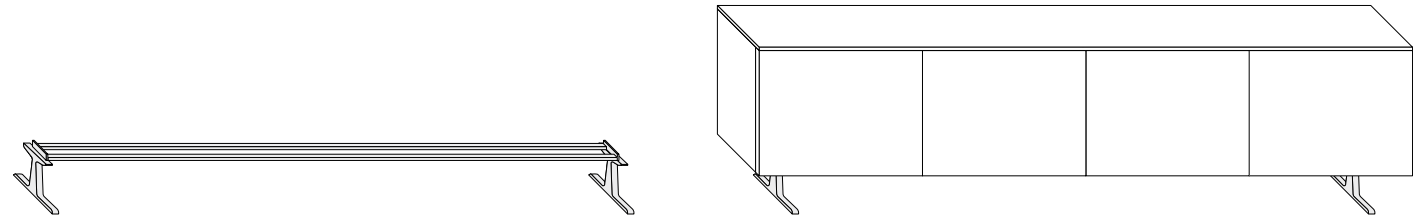

ORDER THE BASE SEPARATELY, ADDING IT TO THE SIDEBOARD
CHECK IF THERE IS A BASE AVAILABLE FOR THE LENGTH OF THE SIDEBOARD
